We do not have responsibility with copywright of this book.

All Noelle Cunningham has ever wanted is a life beyondâ€”beyond the walls of Eden, where only the righteous are allowed to remain, and beyond her stiflingly restrictive existence as a councilmanâ€™s daughter. But only ruins lie outside the City, remnants of a society destroyed by solar storms decades earlier.

The sectors surrounding Eden house the corrupt, the criminalâ€”men like Jasper McCray, bootlegger and cage fighter. Jas clawed his way up from nothing to stand at the right hand of Sector Fourâ€™s ruthless leader, and heâ€™ll defend the Oâ€™Kane gang with his life. But no fight ever prepared him for the exiled City girl who falls at his feet.

Her innocence is undeniable, but so is their intense sexual attraction, and soon theyâ€™re crossing every boundary Noelle barely knew she had. But if she wants to belong to Jas, first sheâ€™ll have to open herself to the gang, to a dangerous world of sex, lust and violence. A world where passion is power, and freedom is found in submission.
