A woman with no futureâ€¦

Live fast, die youngâ€“anything else is a fantasy for Six. Sheâ€™s endured the worst the sectors had to throw at her, but falling in with Dallas Oâ€™Kaneâ€™s Sector Four gang lands her in a whole new world of danger. Theyâ€™re completely open about everything, including their sexualityâ€“but she hasnâ€™t survived this long by making herself vulnerable. Especially not to men as dominant as Brendan Donnelly.

A man without a pastâ€¦

Bren is a killer, trained in Eden and thrown to the sectors. His one outlet is pain, in the cage and in the bedroom, and emotion is a luxury he canâ€™t affordâ€“until he meets Six. Protecting her soothes him, but it isnâ€™t enough. Her hunger for touch sparks a journey of erotic discovery where anything goesâ€“voyeurism, flogging, rough sex. He has only one rule: he wonâ€™t share her.

In Brenâ€™s arms, Six is finally free to let go. But his obsession with the man who made him a monster could destroy the fragile connection theyâ€™ve forged, and cost him the one thing that makes him feel humanâ€“her love.
