We do not have responsibility with missing file of this book.

The Printz Awardâ€™winning classic gets a new look.

The Watson family moves to Stoneygate, an old coal-mining town, to care for Kitâ€™s recently widowed grandfather. When Kit meets John Askew, another boy whose family has both worked and died in the mines, Askew invites Kit to join him in playing a game called Death. As Kitâ€™s grandfather tells him stories of the mineâ€™s past and the history of the Watson family, Askew takes Kit into the mines, where the boys look to find the childhood ghosts of their long-gone ancestors. Written in haunting, lyrical prose, Kitâ€™s Wilderness examines the bonds of family from one generation to the next, and explores how meaning and beauty can be revealed from the depths of darkness.
