We do not have responsibility with content of this book.

Video game coder, Harley Kelso, thought a tandem skydive would help her make her latest game more realistic. Instead, it literally put her in the arms of the sexiest man she s ever seen. Geeky to the core, Harley is the polar opposite of big and burly Beckett, but that doesn t stop her from wanting to play more carnal games with the sexy soldier.

When Beckett Coach Ralston offers to fill-in at a friend s skydiving club, he doesn t suspect he ll meet a woman who will change his life and he definitely doesn t expect her to save it. But that s exactly what happens when an accident mid-air forces Harley to land them both safely. She s earned Coach s complete gratitude, and even more, sexual interest

Until she disappears without a trace.

With Harley missing, a happy ending might not be in the cards for the man who loves her especially when he becomes the main suspect."
