A mature YA fantasy with a twisty, Potter-esque feel â€” welcome to the world of Harley Merlin... Being an empath has its advantages. Nineteen-year-old Harley Merlin can sense peopleâ€™s emotions, among other things. Itâ€™s how she snagged her first job pinpointing cheaters at a casino. But she has no clue where she got these freakish powers because she spent her childhood jumping from home to home in the foster system, and her father left her with nothing more than a cryptic note. Then she crosses paths with a terrifyingly real monster. Which is when a mysterious and annoyingly arrogant young warlock named Wade Crowley steps in, introducing her to a hidden world of magicals and covens riddled with secretsâ€”as well as clues about her murky past. Whether she likes it or not, this new world is where she belongs. But after a disturbing twist of events, Harley quickly realizes that her past is darker than she could ever have imagined. And that someone in the coven is out for her blood. With the help of Wade and her new friends, she must figure out who the traitor is and why theyâ€™re targeting her... Before the human and magical worlds dangerously collide. Fans of witches and magic, prepare for an enthralling new journey from million-bestselling author Bella Forrest.
