The definitive study of John Wayne Gacyâ€™from his abusive childhood to the murders of thirty-three boysâ€™based on four years of investigative reporting.

John Wayne Gacy, the â€™Killer Clown,â€™ was a suburban Chicago businessman sentenced to death in 1980 for a string of horrific murders after the bodies of his victims were found hidden in a crawl space beneath his Des Plaines, Illinois, home. The serial killer had preyed on teenagers and young menâ€™at the same time entertaining at childrenâ€™s parties and charitable events dressed as â€™Pogo the Clown.â€™

Drawing on exclusive interviews and previously unreported material, journalist Tim Cahill â€™offers the stuff of wrenching nightmaresâ€™ (The Wall Street Journal): a harrowing journey inside the mind of a serial killer. Meticulously researched and graphically recounted, Buried Dreams brings to vivid life the real John Wayne Gacyâ€™his complex personality, compulsions, inadequacies, and tormentsâ€™often in the murdererâ€™s own words.
